SUMMARY OF THE REASONS FOR DECISION:

The untitled photographic material also known as *Item 42 Sleeve containing a negative and a slide* has been classified as unrestricted.

The publication is a photographic negative and a colour slide of the same image. The image, in both the negative and slide formats, depicts the heads and shoulders of two young girls. The girls' heads are bent toward each other. The girl in the foreground is wearing a brightly patterned shirt while the girl in the background is wearing a neutral coloured top. The image presents as a professional portrait of the two subjects.

The publication does not raise any matters of consideration under ss3(1), 3(2), and 3(3) of the Films, Videos, and Publications Classification Act 1993. As a consequence the publication is classified as unrestricted.
